

# VANTA LEAGUES

Building a better youth gaming experience through esports mentorship and coaching

## What is VANTA Leagues?

We are an online esports league for kids of all skill levels between the ages of 9-14. With Vanta kids can play online with their peers in a safe, structured, supervised, and fun environment – all while growing as a gamer and learning valuable life skills.

### Collegiate Scholarships

Video games can be more than just games – over **175 colleges offer full athletic scholarships** for esports. VANTA's expert coaches accelerate esports athlete growth.

### Ending Cyberbullying

Today most games are played online without supervision. VANTA's supervised leagues give kids **a safe place to play** – and parents peace of mind.

### Mentorship & Citizenship

VANTA coaches are esports experts, but they teach more than just gaming. **VANTA kids learn** online etiquette, social skills, emotional reasoning, and wellness.

### Fun with Friends

Gaming is more fun with friends. VANTA gives kids an engaging, constructive environment to **play and learn with friends** – and make new ones.
